

POLICY STATEMENT

The Scottish Police Services Authority (SPSA) is committed to the maintenance of high levels of honesty and integrity and the prevention and disruption of dishonest, unethical and unprofessional conduct. This policy and the associated procedures support that commitment by ensuring that SPSA only recruits and retains people who retain the highest personal qualities.

Our principle objective, therefore, is to safeguard all assets associated with the organisation, including physical, financial and information assets and to preserve the safety and welfare of our staff, customers and partners.

All members of staff, irrespective of their employment status, contractors and others accessing premises and systems owned or used by SPSA will be vetted in accordance with all relevant Association of Police Officers (ACPO), Association of Police Officers in Scotland (ACPOS) and Cabinet Office guidelines.
